

Transportation and Funding

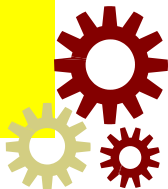

Transportation is coordinated by

L.I.F.E. Services. People will use public transportation throughout the day. Bus passes will be provided by the regional center. Occasionally, individuals will be transported in vehicles owned and maintained by U.V.A.H. at no additional cost to the individual.

L.I.F.E. is funded by the Redwood Coast Regional Center. Students are jointly funded by Ukiah Unified Schools and R.C.R.C.

Department of Rehabilitation funding may be available for some work-related services.

Private or third-party funding is accepted.

Tuition, entrance fees, books and supplies will be paid for by the person served.

U.V.A.H. Mission

To help people with disabilities reach their full potential as individuals and productive citizens in our community.

What is L.I.F.E. Services?

The purpose of L.I.F.E. is to connect individuals served with their community in order for them to:

Explore Personal Interests

- ◆ earn an income
- ◆ explore personal interests at college and elsewhere
- ◆ take care of everyday business such as going to the bank, doing laundry, eating out, keeping fit and using public transportation.

All services take place in the community. Interactions with co-workers, classmates, neighbors and the general public are promoted, supported and encouraged at all times. Personal connections develop over time based on the frequency of contact and individuals' comfort levels.

Planning for Success

Personalized Opportunities
Build on Dreams and Talents

Individuals are supported to develop goals and objectives to reach their dreams, satisfy their needs, and achieve what they want to accomplish in life.

Initial planning starts before services are offered, occurs over a period of time and includes anyone the person invites, who will work as a team to make the person's desired outcomes a reality.

Employment and Personal Interests
