After upgrading my work skills, I worried about returning to the workforce. I had received SSDI for many years. My Employment Network helped me prepare for, and get a great job.

----Beneficiary

With Ticket to Work I can focus on learning my new job without fear of losing benefits.

----Beneficiary

My Employment Network helped me get my very first job. I love helping people on my job and have made many new friends.

----Beneficiary

My Employment Network helped me get two different jobs. I know I can count on them to help me if I need to look for a new job.
